

30 January 1961

MEMORANDUM FOR: Director, Photographic Intelligence Center

SUBJECT : Viewer Requirements

REFERENCE : Our Conversation of 27 January 1961

1. This memorandum is for the purpose of presenting the steps we are planning to take in the TDB to meet our immediate requirements for viewers for the period of May 1961 through July 1962.

2. (a) I plan to ask the TDB to approve immediately the purchase of five additional [ ] Viewers for 90 days delivery. These should meet our immediate requirement for 100-150 l/mm viewing capability after the next 90 days.

25X1

(b) I will also request an increase in the number of [ ] Viewers from the present order of two to five.

25X1

3. As an additional agenda item, I will resubmit the two screen high productivity comparator from [ ] for immediate procurement action. I feel that this is necessary because of the long lead time needed to produce this item before July 1962.
